Dear Students and Parents,

12-06-2025

Greetings! A warm welcome to the new academic year 2025-26.

After a wonderful vacation, we are eager to see the children back in school. School is the basic fountain of knowledge a child is exposed to. It gives them a chance to **acquire knowledge, learn social skills, develop physically and learn to craft their boundless energy into something productive**. It is important that every child progresses at his or her own pace for which we need to celebrate even the smallest success. For future growth, we need to build the child's self-esteem and secure a strong foundation. **A strong partnership** between **home** and **school** ensures that children **learn and have** a productive school year.

Guiding us in our efforts for a successful academic year are our values, vision, and mission. Our school culture is to build strong and meaningful relationships and prioritize instructional time to provide vigorous and effective learning. This is in order to prepare our students to be successful in their school journey.

Our efforts start with my staff and I reflect on our work from the previous academic year's. We analyse the student performance data, identify successful strategies for teaching, adapt suggestions from feedback, and prepare ourselves for improving learning opportunities for our students.

Our pedagogical plan is designed to make learning fun and interesting to enrich students' learning through various aids. We use audiovisual aids, and interactive tools to **simplify concepts** in Math and Science, **develop logical thinking** skills by learning coding during Computer classes, and enrich **Life skills through Values lab** activities, **communication, and comprehension** skills.

We look forward to many years of working collaboratively with you to ensure we continue to have a quality instructional program, where all students are learning and writing.

- *New enhanced integrated Auditorium & Indoor Sports Complex.*
- *Music Room (keyboard, drums & guitar) for classes III – X.*
- *Dance & Performing Arts for classes I – IX.*
- *Robotics, AI & Coding for classes III - X*

Students are encouraged to participate in co-curricular activities which **help develop problem-solving skills, increase concentration, teach teamwork, develop public speaking and improve language skills, thereby enhancing the overall personality of the students.**

Kindly support your child's learning by ensuring that he/she

- **Follow a schedule.** Early to bed and early to rise, physical exercise, good hygiene, and eating habits, of which will keep the child active and healthy.

- Is **punctual and regular** at school.
- Submits all **assignments** and is ready to experience the day's **learning**.
- **Minimize screen time** and **habituate reading** daily.

Feel free to raise any concerns about your child or share your valuable suggestions with us. **Refer to** the school almanac to seek information about school procedures.

All our communication will be through Almanac, Circulars, School App, and Website.

Class LKG

School re-opens on **16th June 2025** for class L.K.G, parents are requested to cover, label the books, and write the name of the child and submit them to the class teacher on **16th & 17th June 2025**. Welcome Letter – Academic Year 2025–2026

Dear Parents and Dear Students,

Greetings as we begin the new academic year 2025–26! Classes VIII - X is a crucial year of readiness—**academically, emotionally, and socially**—as students prepare to enter high school. With guided focus, consistent effort, and support from home and school, **students can grow into strong, self-aware learners.**

This year, you are encouraged to become more responsible for your learning, more aware of your strengths, and more prepared to meet challenges.

In your classes, we will:

- Set goals and follow through with action.
- Work with focus and avoid distractions.
- Respect timelines, space, and opinions.
- Think critically and act responsibly.
- Support one another and learn from feedback.

Let this year be one of progress, not only in marks but in maturity.

Dear Parents,

We value your **ongoing support**. Students must begin managing multiple priorities—academic expectations, co-curriculars, and emotional transitions. We aim to **guide them with balance** and structure while **fostering resilience and consistency**.

Please support us by:

- Encouraging self-discipline and accountability.
- Helping your child reflect on their strengths and challenges.
- Tracking assessments, revision work, and school communication.
- Being available to listen, discuss, and guide calmly.

Let us work as a team to prepare your child for a successful transition into high school.
